

MANUFACTURING GRAY TECHNOLOGIES

COMPASS PRECISION

Precision 5-Axis CNC Milling with Automation and Multi-Tasking Mill/Turn

AS9100D
ISO 9001:2015
ITAR

www.gray-mfg.com

Core Services

5-Axis Milling
3/4-Axis CNC Milling
Multi-tasking Mill/Turn
CNC Turning
Metrology
3D Model
Lights Out Manufacturing

Materials

Bar
Plate
Titanium
Stainless Steel
Inconel
Alum Nickel
Bronze
Aluminum

Support Tools

Mastercam 2020 CAM
SolidWorks
Calypso CNM Software
ERP-Jobboss/E2
High QA

Who We Are

Gray Manufacturing is an AS9100D, ISO 9001:2015 and ITAR registered manufacturing company specializing in 5-axis CNC machining of precision metal components for the space, aerospace, defense, medical, and energy markets.

Incorporated in June 2013, Gray is housed in 25,000-square foot state-of-the-art facility with advanced 5-axis machining and metrology equipment.

Our specific capabilities include 5-axis CNC milling, mill/turn, and Zeiss CMM.

We are experienced with a variety of materials including steel alloys, titanium, aluminum, alum nickel bronze, and Inconel.

We are located in Denver, NC (approximately 25 mi. NW of Charlotte, NC) and are an operating company of Compass Precision headquartered in Charlotte.

Please feel free to contact us with any additional capabilities questions you may have.
