

Precision CNC Milling and Turning, Welding, Assembly and Light Fabrication

www.pocassetmachine.com

Core Services

CNC Milling
CNC Turning
MIG/TIG Welding
Assembly
Light Fabrication
Metrology

Materials

Stainless
Carbon & Tool Steel
Aluminum
Brass
Copper
Inconel
Titanium
Teflon
Engineered Polymers

Supported Tools

JobBoss (ERP)
Autocad
Solidworks

CNC Milling	
4	Haas VF-2 w/ 4 th axis
1	Haas VF-3 w/ 4 th axis
1	Haas VF-4 w/ 5 th axis
CNC Turning	
3	Nakamura-Tome 2-axis
2	Mori Seiki 2-axis
1	Haas ST 2-axis
Metrology	
1	Brown & Sharpe Micro-Hite Gage
1	Brown & Sharpe Tesa-Hite Gage
1	Brown & Sharpe Global CMM
Welding	
1	Technitron AP Spot Welder
1	Airco Tig Welder
1	Miller Matic Tig Welder
Support Equipment	
1	Hyd-Mech Automatic Saw
1	Bewo Mitring Circular Saw
1	Branson Ultrasonic Degreaser
1	Mr. Deburr Vibratory Tumbler
1	Buss Bench Vibratory Tumbler
1	Whacheon Engine Lathe
1	Victor Tool Room Lathe

Who We Are

Pocasset Machine is a precision machining and light fabrication company that specializes in CNC machined & fabricated parts with demanding geometries and difficult materials.

Since 1977, we have specialized in solutions and quality parts to the oceanographic research and autonomous vehicle market but also serve customers in a variety of industries requiring precise, complex geometric metal and plastic components.

Our specific capabilities include 3, 4 and 5-axis CNC milling, CNC turning, MIG/TIG welding, graining, polishing, hardware installation, and metrology.

We are experienced with a variety of materials including stainless, Inconel, titanium, aluminum, and engineered polymers.

We are a subsidiary of Compass Precision based in Charlotte, North Carolina.

Please feel free to contact us with any additional capabilities questions you may have.
